PROFESSIONAL SUMMARY

Computer Science Engineering (AI & ML) student with hands-on experience in Java, Python, MySQL, Machine Learning, and web development. Strong foundation in OOP, Data Structures, REST APIs, Git, Agile methodologies, and problem solving. Developed AI-powered and database-driven applications through academic projects. Seeking an entry-level Software Developer role to build scalable software solutions.

EDUCATION

BE - Computer Science & Engineering (AI & ML)

Rathinam Technical Campus, Coimbatore

CGPA: 7.5 / 10.0

09/2023 – Present

Coimbatore

Higher Secondary Certificate (HSC)

Model Higher Secondary School, Mulanur

Score: 75.6%

06/2022 – 05/2023

Mulanur

TECHNICAL SKILLS

Programming Languages: Python, Java, SQL

Web Technologies: HTML, CSS, JavaScript

Databases: MySQL, MongoDB

Tools: Git, GitHub, Jupyter Notebook and Google Colab

Concepts: Data Structures, Object-Oriented Programming (OOP), REST APIs, Machine Learning and Agile methodologies

Soft Skills: Problem-solving, Communication, Team Collaboration and Adaptability

PROJECTS

Developed an AI-powered task management system

Technologies: Python | Machine Learning | MySQL | Jupyter Notebook

- Developed an AI-powered task management system using Python and Machine Learning.
- Implemented NLP to automatically categorize tasks and predict priorities.
- Designed a MySQL database with CRUD operations for efficient task management.
- Applied OOP principles to build a scalable and user-friendly application.

Smart Load-Based Vehicle Recommendation System

Technologies: HTML | CSS | JavaScript | PostgreSQL

- Developed a vehicle recommendation system based on load capacity and distance.
- Built a responsive web interface using HTML, CSS, and JavaScript.
- Integrated PostgreSQL to manage vehicle and shipment data.
- Implemented filtering algorithms and SQL queries for accurate vehicle recommendations.

CERTIFICATIONS

AI Fluency: Framework & Foundations — Anthropic

Microsoft Certified: Fundamental AI Concepts — Microsoft

MongoDB Basics — MongoDB University Design

WORKSHOPS

CISCO NETWORKING WORKSHOP

KPR Institute of Engineering and Technology
